Terms and conditions

All above On-Site course fees are for 6 students unless otherwise stated and include course manuals and any other handout material given, a final course assessment test and course completion certificate if applicable.

If specific courses are needed, they can be developed for a negotiated fixed cost. Please call for details.

Expenses will be charged as incurred to cover travel time (for work packages less than 40 hours), accommodation, air travel, rental car expenses, all meals and any other reasonable (daily per diem) costs incurred.
As an alternative to the above option of expenses billed as incurred, a pre-arranged per-diem payment using government rates can be billed.

The shipping/freight charges for all manuals, equipment and specimens necessary to conduct the training will be the responsibility of the customer.

TEST NDT will provide:
Qualified (ASNT Level III in method being taught) Instructor
Course manuals or books and any other handouts necessary
End of course test
Course Certificate for successful completion of course
Videos if necessary
NDT equipment necessary to support practical exercises
Actual defective specimens for practical exercises

The customer will provide and be responsible for:
Note: These items not required if courses conducted at TEST NDT in Brea, CA
Suitable classroom with adequate seating
Whiteboard
TV/VCR
Overhead projector and screen
Refreshments, (coffee, water)
Restrooms
Shipping charges for any necessary support equipment needed for the training.

SNT-TC-1A and CP-189 and NON NADCAP NAS-410 Qualification Examination Services and Charges

$250 per single “part” Examination.
$500 for General / Specific / Practical parts taken together.
$50 discount per part if taken in conjunction with training course.

Qualification examinations can be administered based on the above prices per person per method including the General, Specific and Practical examination administration, grading and reporting.

Examination question preparation for customer specific examinations will be billed at $495 per 20-question examination charged PRO-RATA. (ASTM based specific examinations are considered to be standard examinations and will not be billed).

Administering/proctoring examinations using the customer supplied examinations where the customer will grade and report the results will be billed at the applicable outside agency, Level III services fee. If grading and reporting is required, our normal examination fees will apply.

NADCAP NAS-410 Qualification Examination Services and Charges

Cost to write the Specific examination (30 questions) – $995.00.
Cost to administer, grade and report the exams (including mailing them out for audit purposes) for the following 5 years: $990.00
No Discounts are offered for NADCAP examinees taking training with TEST NDT.
